| <p>Our club bylaws state that:</p> <p>“Members must attend 75% of the club meetings and activities to remain in good standing and to be permitted to exhibit or be judged in 4-H events at the county fair.”</p> <p>I am requesting a waiver to these attendance requirements so that I can participate in another activity. I agree instead to make sure that I am represented at a minimum of two meetings per month for the duration of my activity. This means that I will either be there myself or make sure that a family member who is older than me is there instead.</p> <p>I understand that if I fail to meet these minimum requirements, this waiver will be revoked and I may not be able to attend the Pierce County Fair and/or receive my completion pin at the end of the year.</p> | |
